# AC007

Features

- Touch to turn on/off, and to dim & tone.
- Wide range of adjustable brightness & CCT with stepless control
- Compatible with 12V/24V LED strip
- For profile PRC
- Quick & intelligent control
- Superb anti-interference
- Brightness memory

Technical Data

12V/24V

16mm

62.5mm

13mm

Input	
Input voltage	12V~24VDC

Output	
Output voltage	12V~24VDC
Max. load current	2.08A
Max. load power	25W/50W(12V/24V)
Dimming range	5%--100%
Standby power	0.72W
Control way	Touch

Environment	
Ambient temperature	-20℃~+40℃
Humidity	20%~85%
Storage temperature	-25℃~+80℃
Applications	Indoors
IP grade	IP20
