

LUMOFLEX CATALOGUE

The following catalogue outlines our extensive range of Lumoflex fittings.

Each fitting has been named according to its shape as well as to reflect the multicultural nature of the Azoogi team. Our Lumoflex product names represent the diverse nature of the Azoogi staff, encompassing Bengali, Nepali, French, Hebrew, Persian & Arabic languages.

We hope you enjoy browsing our fittings as much as we have enjoyed developing them!

12 **Tiyar**

LA LUNE

La lune means the moon in French.

The round, multiple nature of these lights evoke the stars and moon in the night sky.

Choose the size and number of rings to add interest to any feature walls in commercial or residential settings.

MATERIALS

Material description	Quantity
Lumoflex 3000K/4000K	5m
Connection ring	5
Cable	2m

LAYANA

Layana translates as shining in Persian. While we don't have any persian staff members, the name stuck due to both to the beauty of the name and the fitting!

Layana is a showstopping feature light for both commercial and residential settings. Whether you need to bring drama to your kitchen, dining room or boardroom, Layana will bring an ethereal beauty that will evoke admiration in visitors for years to come.

MATERIALS

Material description	Quantity
